

Audubon in the Schools

Audubon in the Schools partners with 4th Graders at Beaufort & Port Royal Elementary Schools to introduce students to Lowcountry wildlife with a focus on birds and birding.

- ☆ Owl Presentation by Leila Arnold of Lowcountry Raptors
- ☆ Owl Pellet discussion/dissection led by teaching staff with Audubon Club volunteers
- ☆ Holiday Crafts with bird themes
- ☆ February 2023, Owl Presentation
- ☆ April or May 2023, a visit to The Cypress Wetlands in Port Royal to focus on wading birds. The Fripp Nature Center brings alligators, snakes & turtles for students to experience.
