

FRIPP ISLAND Rules & Regulations

FRIPP ISLAND
PROPERTY OWNERS ASSOCIATION
Fripp Island, South Carolina

PURPOSE

Fripp Island safety requires the cooperation of all property owners. The publication of these rules is intended to establish a minimum standard of behavior on the island. Following the rules will protect lives and property and ensure the enjoyment of Fripp Island.

The rules cover: Traffic, Parking, Animal Control, Property Appearance, Wildlife Protection and Safety.

The Security Department is empowered to enforce the rules. The Security Department is also authorized to enforce the laws of the State of South Carolina. Violation of State law or Island rules may result in a citation and/or arrest.

This document contains a partial summary of the rules of Fripp Island. More complete information is available at the Fripp Island Property Owners Association office or online at www.frippoa.org
