## IT'S NOT JUST ABOUT THE BIRDS!

### Fripp Audubon Invites All to Explore Our "Mother Lode" of Lowcountry Wildlife

*Bob Freeman*

Just one more hidden treasure of our Fripp corner of Paradise is the chock-a-block schedule of Audubon Club-sponsored events on and around the Beaufort Barrier Islands. To be sure, Fripp Audubon Club members are mainly avid birders, but scratch the surface and you'll find a range of interests in nature and wildlife as diverse as the origins of folks who've gravitated to the Carolina Coast.

So far this fall, activities have included a nature cruise aboard the Fripper II to explore local waterways and flyways, "Breakfast with the Birds" to observe and photograph the multitudes of resident shorebirds and migrants, and a guided "Tree Walk" through Beaufort's historic "Old Point" district.

As October drew to a close, the club hosted well-known nature educator and TV personality Tony Mills in the Fripp Community Centre, as he presented a fascinating, fun program highlighting our varied local habitats and their reptilian, amphibian, and mammalian inhabitants. This event was absolutely free, open to all, and featured a "meet 'n' greet" social hour with potluck snacks before Tony's program. As usual, Tony was accompanied by a strong supporting cast of "critter companions," wildlife that's all around us, which we can experience simply by taking a closer look at our surroundings.

**Wood Storks can be seen along Marsh Dunes Road**

Fripp Audubon will emphasize birding through the holidays. November 17th will mark our third bird identification workshop, focusing on birds commonly found at Fripp feeders.

The workshop will be at 7:00 pm in the Fripp Community Centre. Then on December 17th, the club will participate for the third year in the Great Christmas Bird Count, a significant national and international birding event that provides conservationists with a "snapshot" of bird species, numbers and locations.

For 2012, the club is planning another full slate of family nature activities. Lectures and presentations are usually held the third Thursday of the month at the Fripp Community Centre on Tarpon Blvd. at 7:00 pm. Please join us. Most events are free or a nominal fee covers expenses; off-islanders get a free pass at the gate. Field trips are generally limited to members. Yearly membership is only \$10 for individuals and \$20 for families. Contact Pete Richards, (843) 441-2153 or [pete.richards@comcast.net](mailto:pete.richards@comcast.net).

## Splinters from the Board

*Carol Young, Administrative Assistant*

At the September 10, 2011 meeting, the Board approved Resolution 584, to replace decking and bridge surface on Fiddlers Trace Bridge. Resolution 585, to update the Administrative Salary Plan failed. Resolution 586, to accept the official vote to amend the Bylaws was approved with changes.

Crossovers maintained their integrity throughout several days of heavy wave activity due to storms and high winds.

The Grounds Committee met twice to review how the POA areas looked after the hot summer season, correcting the water situation at the Tower Garden and sprucing up Davis Love Park.

At the October 8, 2011 meeting, four resolutions were presented for first reading:

- **Resolution 588:** To adopt the 2012 calendar year budget; with changes to the annual assessment and to continue the Special Road & Bridge Fund
- **Resolution 589:** To adopt changes to the Rules and Regulations to allow only registered golf carts and low speed vehicles; to disallow non-property owners from bringing golf carts and low speed vehicles onto the island; to require that all golf carts and low speed vehicles be registered
- **Resolution 590:** To transfer excess revenue to the Reserve Fund
- **Resolution 591:** To have all ballots except those for Board of Directors sent to the auditor of record for counting based on rules provided.

All four resolutions were deferred to the November meeting for second reading.

The Environmental Committee had its first meeting and reviewed areas of focus for its future agenda. They also discussed recycling.

The ad hoc Boat Committee had its first meeting and heard historical information from past Parking Committee meetings. It was noted the largest complaints are visibility of parked boats and lack of room at the marina.

To see the General Manager's report and full minutes of these and other FIPOA meetings, please go to <http://www.fipoa.org/minutes.html>.

## COVENANT ENFORCEMENT

*Tina M. Reeves, CMCA, AMS, PCAM  
Assistant General Manager,  
Architectural Review Board Administrator*

In the past, our property owners have been very responsive in instances when the FIPOA ARB has contacted them on issues that require the property owner's attention. I would like to touch base on a few issues that some property owners may not be aware of.

**Exterior Changes without ARB Approval:** Please check with the ARB before making ANY exterior changes or improvements, as the vast majority does require formal approval. These changes run the gamut from changing paint colors to replacing windows and doors to building decks, docks, etc. You, as the property owner, are responsible to make sure that a permit is secured. Your contractor can submit the application for approval. Please note that if you or your contractor fails to secure an ARB permit for exterior work, a fine will be assessed.

**Yard Maintenance:** i.e., unkempt yards, debris, etc. A good spring clean-up followed by continuing maintenance will take care of these issues. The FIPOA does not provide pick-up for yard debris. It is the property owner's responsibility to insure that the debris is hauled off. Please do not dump debris on a neighboring lot, as the property owner of the lot will have to pay to have it removed.

Fripp Island is a beautiful island; let's all do our part to keep it so. If you have any questions, please feel free to contact me at (843) 838-4155 or [treevesfipoa@islc.net](mailto:treevesfipoa@islc.net).

Diane McGarry and Becca McCoy

What a fantastic week on Fripp Island! The weather cooperated for both “Fripp for a Cure” events, and hundreds of Fripp Island friends came out to support a great cause – The Keyserling Cancer Center.

“Fore for a Cure” on Tuesday October 18th was a spectacular day on Ocean Creek Golf Course with over 90 golfers turning out for the event. Both Char Cormier and Reed Weatherford hit “Pro Shot” long drives for each scramble team and everyone had a great time. Lunch at Peglegs was awesome! And the rains held out until the golf was done, the lunch was served, and all the awards were handed out. Perfect!

Then...on Thursday night October 20<sup>th</sup> at our “Party for a Cure” at the Ocean Point Pool the winds died down, Target...The Band and Southern Graces heated up the night, and all the partiers danced the night away. What an incredible night! Target played oldies but goodies, classics, chart toppers, and great beach music! The food was fantastic, the atmosphere electric, and the auction brought out the best in all of us.

Both events resulted in donations of almost \$23,000 to the Keyserling Cancer Center.

Thanks to all our generous sponsors, to all those who sponsored individual holes or luminaries in memory or celebration of a loved one, to our generous island friends who came to the events, to those who donated services for the auction, and to those who bid high and won, and to our incredible team of volunteers and helpers at both events. Without your help none of this could be possible. Together we can help fight cancer!

Your donations will provide life saving treatments for those who are unable to pay in addition to funding research Keyserling is currently conducting with Duke University.

## Golf Cart Insurance

General Manager Kate Hines, LSM, PCAM, MCM  
with help from Lisa Rivchun of BBT Carswell Insurance

Are you properly insured for your golf cart or low speed vehicle (LSV)? Fripp Island Property Owners Association requires that all golf carts and LSVs be insured. It's a good idea to check with your insurance agent to be certain that you have the proper coverage for your cart/LSV and that you have as much insurance as you need.

There are many different types of coverage available depending on your personal requirements. If you intend to use the cart only for golf use, you may want to have it insured under your homeowner's policy, but check with your agent to be sure.

If the intended uses include more pleasure such as trips to the beach, parties at friends' houses, FIPOA meetings and to go all over Fripp for examples, it should be written on a separate golf cart policy. Check with your agent to find the best one for you.

Low speed vehicles are viewed more like automobiles from an insurance standpoint, and would be added to an automobile insurance policy.

Many owners may not be aware that when you rent your cart along with your home or condominium, the renter may not be covered under the plain vanilla policy that covers you and your immediate family. Think of your regular auto policy, does that cover someone else to drive your car? You'd better ask your agent.

The owner's personal criteria are also a factor in the cost of each person's golf cart insurance. Personal criteria include their credit score and their driving history. You and your neighbor may have the same policy, but you may be paying less because you have great credit and a spotless driving record.

Before you loan or rent your golf cart or low speed vehicle to ANYONE, please check with your insurance agent for specific details of the policies available. Oh, did I mention that you'd better ask your agent?!

Fax (843) 838-4552

## CHIEF'S CORNER

Security Chief Mike Binkowski

I want to take this opportunity to talk about the registration of golf carts and low speed vehicles (LSVs). Fripp Island Regulations require all golf carts and LSV's operated on the roads be registered with Fripp Island Security.

The registration can be easily completed by bringing your golf cart or LSV to the Security Office at 225 Tarpon Blvd. If you are unsure whether your cart is properly registered, you can call Security at 838-2334 or stop by the office and we will check to ensure that it is properly registered. In the past, we have found cases where one owner sells their cart to someone else and the registration with Security is never changed. This can be accomplished with a phone call to Security.

To register a golf cart, the cart must have the following: insurance, a rearview mirror, headlights, taillights, and brake lights.

To register a LSV, the vehicle must have the following: head lights, brake lights, turn signals, tail light, reflectors, parking brake, rearview mirror, windshield, seat belts and a vehicle identification number.

Vehicles found operating on the island that are not properly registered are subject to a \$50.00 fine and impoundment of the vehicle until it is properly registered.

If you have any questions on this procedure, feel free to contact our office at (843) 838-2334 or email [fipoasec@islc.net](mailto:fipoasec@islc.net).

# ISLAND CLUBS

## Fripp Island Women's Club News

Anne Hoyle

Certainly hope you did not miss our first meeting on October 19th! Chairpersons from various committees gave us an overview of what is planned for this year. The Beautification committee continues to work on the Audubon Trail, sponsor Adopt a Highway to clean up litter along Highway 21, decorate the annual Christmas tree, and work with the FIPOA beautification committee. The Born To Read project, the Teddy Bear project in cooperation with Friends of Caroline Hospice, and the Thumbs Up program, which is an after school program for children in need are just a few of the Outreach committee projects. Our Vice-President, Joyce Bergh, has planned some interesting and informative programs for our monthly meetings.

Our presenter for the October meeting was Harry Merrill, Jr. who prepared a delicious recipe from the new Fripp Island Women's Club cookbook, and the refreshments at the meeting were all recipes from that cookbook. Cookbooks are still on sale for \$20 at the Veranda Beach Salon, at the FIPOA office, or from Bonnie Combes. This cookbook would make great Christmas gifts!!!! The new telephone directory is also on sale for \$10 at the POA office.

Our next meeting on November 16<sup>th</sup> will feature Diamond Riegel, a motivational speaker, belly dancer, and the 2011 Ms. Senior South Carolina. She might need some volunteers to assist her!!!

The December holiday luncheon will be held on December 14th at the Fripp Island Community Centre with Harry Merrill, Jr. catering the luncheon. Mark your calendar now and don't miss this fun event!

New members and visitors are always welcome at our meetings. Please come and join us. Hope to see you on November 16<sup>th</sup> and at the December luncheon!

### Pandolfi returns to the "Island of Music"

Linda Freeman

The Friends of Music 28<sup>th</sup> season opened with a rousing performance of Dixieland Jazz by Hotlanta. The performance was enhanced by reception goodies from Harold's Catering with a New Orleans flair. The October performance by Susan Conant answered the question "What happens when you mix Celtic, classical and jazz?" The answer was a stunning performance.

Next on the calendar is the December 4th return of Thomas Pandolfi. Many of you may remember his incredible performance in 2009. As soon as the many standing ovations and encores ended, the audience was demanding that Friends of Music bring him back.

Fripp...you are getting your wish!

For those who haven't heard this Julliard trained pianist, Thomas Pandolfi is an exciting virtuoso. With each passing season, he is more and more sought after by audiences

worldwide, and showered with superlatives by critics for his passionate artistry and amazing technique. Additionally, in the "Pops" genre, Thomas is considered a leading interpreter of George Gershwin's works.

In the words of the Asheville Citizen-Times, "Pandolfi is a standout among today's young pianists, demonstrating...grace, finesse and polish...his virtuosity and strength might have had some believing that Liszt himself had taken over the keyboard." Equally popular as a recitalist, Pandolfi has appeared in concert halls nationwide. The Washington Post has described him as "an artist who is master of both the grand gesture and the sensual line." And the Fripp audience confirmed that they had witnessed a very special performance. Handsome, talented and personable, he created a compelling, intimate, almost supper club-like relationship with his audience as he played and chatted in our Fripp Chapel. This is one performance not to be missed, so mark your calendars for 5:00 pm on December 4th.

# ISLAND SPORTS

## Fripp Island Men's Golf Association

*Paul Hummer*

Our Men's Golf Association had a very full early Fall schedule. In addition to our normal weekly events, we played our annual Match Play Championship and the always popular Red Ball Tournament.

The winners of our Match Play Championship: First flight: John Reaves, Second flight: Dick Briggs, Third flight: Steve Ranieri and Fourth Flight: Paul Cuffe.

The Red Ball Tournament is a special event. Each four man team receives a red ball to start play. Each team member has to play four holes using the red ball. The winning team is the team who returns with the red ball (which means that they didn't lose it) and the lowest net score.

This year, only five of the 13 teams returned with the red ball, and the winning team with a score of 69, three under par, was John Reaves, John Crews, Bill Robinson, and Buck Mathews. Second were Charlie Sheftall, Dick Briggs, John Fineis and Don Brink. Third were Dan McCormick, Brad Mathias, Dick Welhoelter and Jim LaPolla.

The event concluded with a great steak dinner served to competitors and spouses at Wardle's Landing.

Remaining events for the year include Member/Member, Turkey Shoot (combined with our annual Meeting) and Beat the Pro.

## Nine-Hole Men's Golf Group

*Mike Wilt*

Approximately 70 golfers and spouses/guests enjoyed a beautiful day on September 11<sup>th</sup> for the annual meeting featuring golf and dinner at Sanctuary Golf Club on Cat Island. Many thanks to outgoing coordinator Gary Bond and special thanks to Tom Hunter for matching up the players and to Rick DiSerafino for coordinating the dinner. And of course, thanks to Duffy Howard who showed off his oratory skills yet again with a post-dinner monologue.

The new year for the nine-holers began with Don Brink assuming the role of Coordinator. Currently 82 men are members. For the first time in many years the group staged a two-week championship to determine an outright 9-hole champion. The men played full handicaps and the winner was the lowest net total after the second week. This year's overall winner was Rusty Prothater with a net 70. Congratulations to Rusty!

Other weekly winners during the past two months include Dave Martin, Tom Hunter, Mark Gelsleichter, Bob Smith, Don Brink, Ed Hroncich, Ed Smith, Ron Pointek, Charlie Sheftall, Mike Freeman, Jerry Weithman, Walter Dany, Ralph Burchfield and Fred Steele. The group also had a rare rain out on October 12<sup>th</sup>.

Upcoming events for November include the Women's Nine Hole Invitational and lunch on November 9<sup>th</sup> and Fripp at Callawassie on November 16<sup>th</sup>.

To sign up to play every Wednesday morning at 8:30 AM, go to the website at:

<http://www.fripper.com/golfhandicapreport/frippgolfclub.aspx>.

A special thanks goes to Dana Dudley for writing articles for the Trawler for several years.

## ISLAND SPORTS CONT.

### Fripp Island Women's Golf Association

*Eunice Caro*

One enjoyable tournament this September has been the Gaudy Ball Round. Three teams actually kept the Gaudy Ball with a score of 70! That team was Barb Hess, Joan Burke, Jinny Adams and Sam Taylor. Good going gals!

Par Six began in September with play being here at Fripp. Sue Raneri heads up that group which is an inter club play with Lady's Island Country Club, Dataw Island, Oyster Reef, Sun City, and Callawassie. Call Sue if you would like to play with that group. Our Member/Member tournament got off to a great start with the first play on September 27<sup>th</sup>. After the first round, Sara Dashiell and Sharon Douaire with 59 were in the lead followed by Jane Cuffe and Sam Taylor with 61 and Ellen Long and Dianne McGarry at 62. The final round was at Ocean Creek on October 4<sup>th</sup>. After this first round, a luncheon and business meeting were held at the Beach Club where the nominating committee presented our slate of officers for 2012. The officers for 2012 are: President – Dana Whittle, Vice President – Nancy Connell, Secretary – Sandy Buschur, Treasurer – Arlene Jacqueline.

If you are interested in playing off-island, Ann Warner and Barbara Fuerst head up the Forsythe Cup group. Jacquie Burkhard is Chair of the State Tournaments and Nancy Connell represents the Low Country Women.

October 18<sup>th</sup> was our "Fripp for a Cure" event which is always a wonderful fund raising affair for the Keyserling Cancer Center. Diane McGarry and Becca McCoy were in charge of this always successful and important community activity.

November is another busy month for the lady golfers. November 1<sup>st</sup> and 8<sup>th</sup> will be our Club Championship. Our Scramble and Awards luncheon will be in the 15<sup>th</sup> when tournament winners for the year will receive their awards. So come on out and sign up for all these activities. Congratulations to Pat Howard and Nancy Connell for their holes-in-one this year.

December is one of our favorite months with the Holidays and with our invitation to the Nine Hole Ladies to join us for a Special Tournament and Luncheon. Don't miss it. It's always a wonderful day to spend with our friends.

## BOATING & FISHING

### FALL FISHING GOOD – WINTER FISHING LOOKING GOOD

*Captain Ralph Goodison*

Fishermen and women have been pleased with fall fishing. In fact, many of the Redfish had to be returned to the water because they were too big. Winter Trout started off slow but are a good part of what ends up in the cooler.

Shrimp baiting season was good with good quantities and size, but not as many fishermen as there were in previous years.

Our oyster season is open, and our local oysters are a free gift to some great eating.

Offshore: not many boats out this fall.

SCDNR reports that winter fishing looks good, but the only thing this fisherman says is, "Let's have better weather than last year."

Ralph & Redfish

# BOATING & FISHING CONT.

## OWEN PERRY MEMORIAL FISHING TOURNAMENT

Fripp Island Marina hosted the Owen Perry Memorial Inshore Fishing Tournament Saturday October 22nd with great weather and honoring Camp Rainbow for kids with cancer and rare blood diseases. Fishing was slow, but all the fishermen had a great time.

Captain Pat Perry on his boat "Hanna Jayne" won the largest bass. Captain Stovall Walker on "No Problem IV" won the largest trout. The Spotail Bass with the most spots with 10 was Captain Hamp Manning on "What-A-Deal."

The other fish category was a StingRay won by Captain Stovall Walker on his boat "No Problem IV."

Lewis Turner marina director thanked the many that helped with the tournament and Chef Dee Doolittle who carried the tradition of his father who recently passed away and was the chef of the tournaments for many years.

## Kids' Fishing Tournament Scheduled

The 14th Annual Kids' Fishing Tournament is scheduled for Thanksgiving weekend, Friday, November 25. It won't be a black Friday if the kids are fishing. The tournament is a wonderful way to spend time with the kids on the water.

The Fripp Island Marina has a long heritage of fishing tournaments and has felt the responsibility to encourage the support of our future fishermen. There are no fees and last year we netted 170 kids for the tournament and they had a great time and caught lots of fish. All kids from 4 to 15 accompanied by an adult,

are invited to fish from a boat, the marina dock (this day only), or your private fishing hole. Kids need to bring their own rod, reel, tackle and a lifejacket. There will be free hamburgers, hotdogs and ice cream for the kids and plenty of prizes for the largest Trout, Bass, Flounder, Black Drum and other categories.

Registration and fishing start at 8:00 AM and closes at 3:00 PM followed by a tournament awards ceremony.

The Fripp Island Yacht Club and the Marina will again sponsor the event. Bring the Kids and have a great day on the water. For more information call the Fripp Island Marina at (843) 838-1517.

## FRIPP ISLAND REPORT

Paul Field

*Paul Field*

During the September-October period, we were involved in five cases, which included five vessels and 14 persons. No fatalities or injuries were recorded, but one 17 ft. boat was lost.

Our training program with Coast Guard helicopters from Air Station Savannah continues to be conducted during nighttime hours in Fripp Inlet.

### TO REPORT A MARINE EMERGENCY

**Call Beaufort County Dispatch at 9-1-1 or Fripp Island Security at 838-2334.**
